

Feral Cat Placement Application

Due to the nature of the program, we may not have suitable cats available immediately, but will try to fill your request as soon as possible. We will maintain a waiting list, as the number of cats available as candidates for SCHS Barn Cat Program will fluctuate. Filling out an application is the first step to adopting. A SCHS staff member or volunteer may visit the proposed location to ensure it will provide suitable shelter. When we have Barn Cats for you, you will be asked to sign a Placement Waiver.
