In-kind donations of SCHS's current material needs are a great way to help our shelter. We've all seen the ads on TV, asking us to help homeless and mistreated animals with a donation to well-known national organizations. But did you know that, according to a recent study, less than one percent of donations to some national humane organizations benefit local pet shelters? NONE of them benefit SCHS!! We shelter about 800 dogs, 1600 cats and 100 critters every year, and we cannot do it without your generous support.
